CHAMBER MIXERS

We are pleased to offer Chamber Mixers, a premier networking event designed to foster connections within our local business community. Mixers provide an informal, relaxed environment where business professionals, community leaders, and entrepreneurs can meet, exchange ideas, and build valuable relationships.

Key Features of a Chamber Mixer:

- **Casual Networking:** A welcoming atmosphere that encourages open conversation and meaningful interactions.
- **Opportunity for Collaboration:** Engage with fellow business owners, potential partners, and community stakeholders to explore new opportunities.
- **Local Exposure:** Gain visibility for your business by meeting key decision-makers and influencers in the area.
- **Social Interaction:** Enjoy light refreshments while connecting with a diverse group of professionals.
- **Event Flexibility:** Mixers are held regularly and can be tailored to specific themes or business sectors to maximize relevance and engagement.

Attending a Chamber Mixer is a fantastic way to expand your network, learn from others, and strengthen your presence in the community. We look forward to seeing you at our next event!

Your Responsibilities: To ensure a successful Ribbon Cutting, we ask that you:

- **Coordinate with the Chamber:** Work closely with the Chamber Executive Director to set a date and time for your mixer, with at least two weeks' notice for planning purposes.
- **Provide Refreshments:** Offer some type of refreshments for your guests. This can be tailored to your business and the occasion.
- **Be Present:** On the agreed-upon date and time, be prepared to meet and greet your guests, including community leaders and Chamber members.
- **Prepare a Brief Business Introduction:** Share a brief description of your business, which will be used for announcements by the Chamber and the local newspaper. This will help attendees and the community learn more about your company and its offerings.

Chamber Responsibilities: We will assist in ensuring the event is a success by handling the following:

- **Event Coordination:** We will work with you to select a suitable date and time and help organize all logistics.
- **Invitations:** The Chamber will invite members, the Chamber Board, City Staff, and City Council members to attend your ceremony.
- **Event Coverage:** We will contact the **local newspaper** to cover the event and help promote your event through our social media to invite the community.
